

LORD Corporation Science Education Scholarship

In our commitment to promote opportunities for students in the fields of science and engineering, LORD Corporation is offering a onetime US\$2,000 scholarship to a High School Senior, selected by the Rubber Roller Group to be deserving of the award.

Recipient:

- High School Senior interested in pursuing a degree in the sciences from an accredited four-year program. Student must have acceptance letter to such an institution upon acceptance of the scholarship.
- Recipient must have a minimum GPA of 3.4 throughout high school. The recipient must maintain a minimum GPA of 3.0 in the first semester of college to receive the second half of the scholarship.
- Recipient should have community service, volunteer work, or research associated with interested field of study in sciences or engineering.
- Recipient must be a child or grandchild of a Rubber Roller Group Member or an employee of a company in good standing with the Rubber Roller Group.
- Recipient will provide a recommendation letter from a teacher in the math or science fields **and** from a guidance counselor or an adult that has worked with the applicant.
- Recipient will write an essay on what science means to them and what they plan to achieve with their education.

Instructions:

1. Fill out the application
2. Send completed application, two letters of recommendation, and essay to the Rubber Roller Group Parliamentarian either by US Mail or email:

Jennifer McKinsey
LORD Corporation
PO Box 598
Conneaut Lake PA 16316
jennifer.mckinsey@lord.com

3. Supply a copy of the application to the student's high school and request that a copy of the student's transcript is sent to the Rubber Roller Group Parliamentarian.
